

Do you have a patient with **DIABETES or PREDIABETES** that needs help with services, medications, or supplies not covered by insurance or does not have insurance?

*\*Must be a documented resident of Delaware*

## The Delaware Emergency Medical Diabetes Fund

The Delaware Emergency Medical Diabetes Fund can help with up to \$500/year for:

Services

Blood Glucose Testing Supplies

Dental Care or Eye Screenings

Medications

These services, supplies and medications will help your patients stay healthier and reduce the risk of diabetes complications. Items such as orthopedic shoes and medications are all included.

Must be associated with patient's diabetes and/or prediabetes.

### State Service Centers are here to help:

- Patients will work with a State Service Center professional who will assist them with the qualification process and provide all the details.
- Be sure to mention they are **applying for funds from the Delaware Emergency Medical Diabetes Fund.**

### Get More Info

Call the Delaware Division of Public Health at **302-744-1020**, check out a list of State Service Center locations online at <https://bit.ly/3wJG75j>, or visit a local State Service Center.

### Providers:

- Identify and refer patients with needs
- Provide the patient-facing flyer or the phone number above
